

Invitation

Five Islands Press

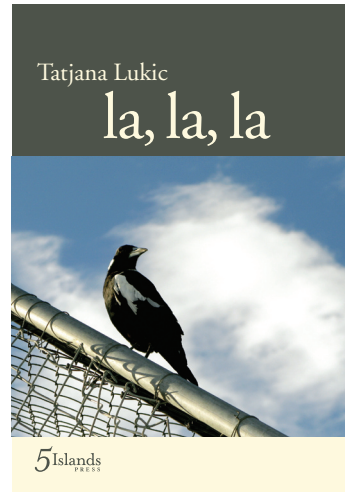

Five Islands Press warmly invites you
to the launch of *la, la, la* by Tatjana Lukic

Date: Sunday 17th May 2009

Time: 3.00pm

Place: Paperchain Bookstore,
34 Franklin Street, Manuka, ACT

Launch speaker: M.T.C. Cronin

From losing so much in her war torn home, Osijek, to locating new senses of self and context in Canberra, 'yes, i remember everything' says the poet.

Traversing from 'there' to 'here' to 'anywhere', *la, la, la* is a collection of dialogues between present and past. Lukic's is a disarming poetics that wonders and then meditates meaning as she moves between her shifting worlds.
